

Assembled Mogami cables to be distributed by cma audio in all of Europe

MOGAMI

THE CABLE OF THE PROS

German distributor cma audio extends its field of operation for assembled Mogami cables to span the whole EU area. For more than ten years, the pro audio distributor has featured the Japanese manufacturer's excellent pro and hifi cables in Germany, Austria and BeNeLux. Starting August 2018, cma audio makes the assembled cables available all over Europe. Bulk cables are still available through cma audio in Germany, Austria and BeNeLux.

The contents of this press release

- cma audio expands distribution of assembled Mogami cables
- Top quality audio transmission
- New products to be distributed
- EU wide distribution through cma audio beginning August 2018

Planegg, Germany, 2nd August 2018 – For more than ten years, cma audio has been distributing exquisite Mogami cables in Germany, Austria and BeNeLux. The German company now expands its successful supply chain: In addition to bulk cables that are still sold in these countries, assembled cables will be distributed Europe-wide from August 2018.

Top quality audio transmission

Even the best signal can only truly shine when transmitted without loss or alteration. For more than 40 years, Mogami has been acknowledged for this exact quality by audio experts around the world. The cables are esteemed by audio engineers and musicians alike, among them glamorous names like Slash, Dave Mustaine or Imagine Dragons. The excellent transmission is not restricted to stage or studio: Mogami hifi products are perfect for unbridled audio enjoyment in the living room.

New products to be distributed

Coinciding with the extension of the distribution of assembled Mogami cables, cma audio also incorporates four new Mogami products into its extensive portfolio. The Overdrive series is expanded by a speaker cable, the Gold Edition also grows by a cable to connect guitar and bass amplifiers with their

respective cabinets. An AES/EBU breakout cable converting from d-sub to four female and four male XLR connectors in TASCAM standard further widens the range of the Gold Edition. New product number four is a high-quality headphone extension.

EU wide distribution through cma audio beginning August 2018

After more than ten years of supplying Germany, Austria, Belgium, Luxemburg and the Netherlands, cma audio GmbH now offers assembled Mogami cables throughout Europe. "We are very happy to offer Mogami assembled cables all over Europe now," cma audio CEO Christof Mallmann comments. "The great quality cables by Mogami and the distribution expertise of cma audio promise a successful future in the whole EU area."

About Mogami

Over the course of 50 years, Mogami has become one of the most renowned producers of high-grade audio cables. Through unparalleled sound quality and flexibility, Mogami cables are favoured by musicians and music studios all over the world. In cooperation with Synthax, Mogami made its series of hi-fi cables readily available for audiophile enthusiasts that want to experience the same level of quality at home many professionals have been swearing by for years.
